

ASSEMBLY BILL

No. 1922

Introduced by Assembly Member Gomez

February 19, 2014

An act relating to hazardous materials.

LEGISLATIVE COUNSEL'S DIGEST

AB 1922, as introduced, Gomez. Hazardous materials: Los Angeles River: revitalization.

Existing law authorizes a local agency, pursuant to specified procedures, to take any action that the local agency determines is necessary, consistent with other state and federal laws, to investigate and clean up a release of hazardous materials in a blighted area within the boundaries of the local agency.

This bill would declare the intent of the Legislature to enact legislation that would encourage the clean up of the Los Angeles River for purposes of redevelopment, restoration, and revitalization.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would encourage the clean up of the Los Angeles
- 3 River for purposes of redevelopment, restoration, and revitalization.
